DO NOT PUT MATERIAL OUT BEFORE SCHEDULED TIME.

1. Placement of material to be picked up during Spring Clean-up Program

- a. The City will be divided into quadrants and the dates for pick-up in each quadrant will be published in the local newspaper and will be available at www.ashland-ohio.com or by calling 419-289-9791.
- b. Items to be picked up shall not be placed upon the tree lawn earlier than the Friday immediately prior to the first day of collection for that quadrant, nor later than the Monday, by 7:00 a.m. of the week scheduled for collection for that quadrant.
- c. Persons placing items for pickup before, or later than the specified day set forth in paragraph “b” of this rule, shall be assessed the cost of removing said items in accordance with the established fee schedule.
- d. Items put out after street has been picked up will be assessed the cost of removing said items. Items must be on tree lawn in accordance with paragraph b.
- e. There is no charge for a pickup size load of material, which amounts to approximately 3 cubic yards. Amounts of material larger than a pickup load will be charged an additional fee, per packer hopper quantity over allowed amount.
- f. Properties that have outstanding spring clean up bills from previous years will not be picked up in 2010.
- g. Any charged amounts will be billed on the City of Ashland utility bill.
- h. All items intended for Sanitation pickup, other than normal garbage or recycling, should not be put out during spring clean up in any area. This will keep you from being charged for non-compliance of rules.

2. Keep different material in separate piles placed on the tree lawn.
