Parade Permit Application

POLICY

In order to insure the public safety and welfare, to maintain proper traffic flow, and to have a successful event, all groups or individuals desiring to use the city for parades, marches or demonstrations must obtain a parade permit.

Five days after receipt of the application, a permit will either be granted or denied. Reasons for denial include, but are not limited to the following:

- (1) The potential to be a threat to public safety
- (2) There is not sufficient available personnel
- (3) The parade will impede normal business and traffic flow
- (4) There have been problems in other cities where the organization held parades or marches.

The City discourages dispensing items from vehicles in the parade.
A fee may be assessed commensurate to the additional expenditures to the City for personnel.
