LEGAL NOTICE REQUEST FOR QUALIFICATIONS FOR DESIGN-BUILDER

Phosphorus Optimization and Sludge Dewatering Project at the WWTP

Response Submission Date and Time: Friday, March 22, 2019, 4:00 pm

Requirements for Submittal Consultants must submit seven (7) hard or electronic copies of their RFQ to:

Shane Kremser, PE, City Engineer, City of Ashland, 206 Claremont Avenue, Ashland, Ohio 44805,
kremser.shane@ashland-ohio.com

The City of Ashland (City) has retained the services of Jones & Henry Engineers, Ltd. as Criteria Engineer to develop the Phosphorus Optimization and Sludge Dewatering conceptual documents for the soliciting of a Design-Builder to a level that will be submitted to OEPA for a Permit to Install.

To demonstrate its qualification to perform the Work, each Proposer must submit a Statement of Qualifications, containing written evidence of its qualifications, such as financial data, previous design and construction experience, bonding capacity, present commitments, equipment and workforce resources, safety record, corporate registration and authorization to do business in the jurisdiction where the Work is to be performed, professional and business licensing, and other such data as requested below.

A complete Request for Qualifications (RFQ) may be obtained from: Shane Kremser, PE, City Engineer, City of Ashland, 206 Claremont Avenue, Ashland, Ohio 44805, kremser.shane@ashland-ohio.com.

Due Date

Qualifications are to be received, no later than **March 22, 2019, 4:00 pm** by the City of Ashland, Ohio, at the office of the City Engineer at the Municipal Building, 206 Claremont Avenue, Ashland, Ohio 44805.
